

Gospel Phonics

Singing, where fun comes first

Tuesdays-8pm-Crestwood School - All Welcome

- ❖ A lovely friendly group of people meeting to enjoy singing together - it's fun although we take it seriously. Wonderful direction from Gemma
- ❖ *I enjoy singing because this is a good social evening outside my work environment. Singing is good for you and a good stress reliever.*
- ❖ I enjoy belonging to the choir as i love singing. Being in a choir encourages me to sing as I find myself singing more at home. Most enjoyable.
- ❖ *I enjoy the songs we sing, the happy atmosphere, Gemmas leadership and working together*
- ❖ Love singing - fun/a laugh - non threatening, i.e. No pressure to be brilliant.
- ❖ *I enjoy singing gospel songs and being part of a friendly group.*
- ❖ Singing - really enjoy it. Camaraderie - Fun
- ❖ *I love to come and meet with friends. I love to sing and forget everything else.*
